Call to Order

Minutes

Minutes from our meeting on 2/9/22 were presented. Motion to approve both by Arellano, 2nd by Finfrock. Voice vote, all in favor.

Financial Reports

Reports for the admin expenses and the project fund were presented. The first was the admin expenses for the year to date. All but Ogle County have been received. The next report was the Project Fund since inception through January 2022. Shaw noted that we have several new paid projects. Motion to approve by Finfrock, 2nd by Anderson. Voice vote, all in favor.

Administrator Report

Shaw presented the admin report, highlighting several items from the written report. Previous mention of the PJM “pause” was updated with the information that more viable projects were expected to be given priority over more speculative ones, C-PACE had some good local press, while our local rollout meeting is still being scheduled by IECA. Upcoming meetings and conferences for EZ association, IEDA and Nicor were noted. Submission of our EDA application for the Steward Road Corridor should be completed in the next few weeks. A new amendment project in the Amboy area was mentioned but not prepared for action at this time, it involves a site inside the City of Amboy and one nearby shown on the attached maps.

Next Meeting, June 8th via Zoom

Motion to adjourn by Anderson, 2nd by Finfrock. Voice vote with all in favor.

From: Andy Shaw, Administrator
Date: 6/8/2022
Subject: Report of Activities

1. **Financial Reports:** Both usual reports included in meeting packet.
2. **Steward EDA Project:** was set back due to EDA's 80/20 program's funding for technical assistance being depleted. EDA has now encouraged application under their more typical 50/50 program. Jason Anderson suggested we seek the new \$75,000 funding gap from Lee County's ARPA committee, and we were successful in finding support there and with the entire Lee County board last month. With Lee County and the previous Lee Ogle EZ match we have the \$125k needed. Application is now being finalized with requests for letters of support from industry and state agencies and will be submitted soon.
3. **Project Jackpot Incentive Enhancement:** No updates.
4. **Housing Study:** Final versions are attached to this month's materials and will be presented by Redevelopment Resources at the beginning of our meeting.
5. **Housing Amendment:** Hvarre has applied for incentive use with site development for Dixon areas of the amendment.
6. **C-PACE Funding Program:** We held the rollout meeting on zoom on May 17th. It was hosted by IECA and included Greater Freeport's Mark Williams, Whiteside County's Gary Camarano, and myself giving perspective on the new incentive. The meeting was recorded and will be shared online for those wanting an overview of the program.
